earthed by World reporters.

Lawyer Brocke at once moved to the complaint on the ground that the information upon which the warrant was based was insufficient and rested only on the affidavit of the District-Attorney.

Judge Martine denied the motion. Then Lawyer Brooke requested that the District-Attorney be compelled to file a record of all amdavits and depositions in his possession, and from which his information against Buchanan is derived. Judge Martine refused

"In behalf of the defendant, then," said Lawyer Brooke, " I now demand an examination before Your Honor, who, as a magistrate, issued the warrant for arrest."

Judge Martine explained that he could not conveniently conduct on examination to-day, but would designate any date hereafter that
